## A B O U T M E

I am a Mechanical Engineering student with experience in design, sustainability and hands-on problem solving across in academic, professional as well as community-based environments. My work spans engineering projects, leadership roles, and youth development initiatives, reflecting both technical ability and impact-driven purpose. I'm passionate about innovation and designing systems that create real-world value while also revelling in the outdoors - traveling and experiencing new things.

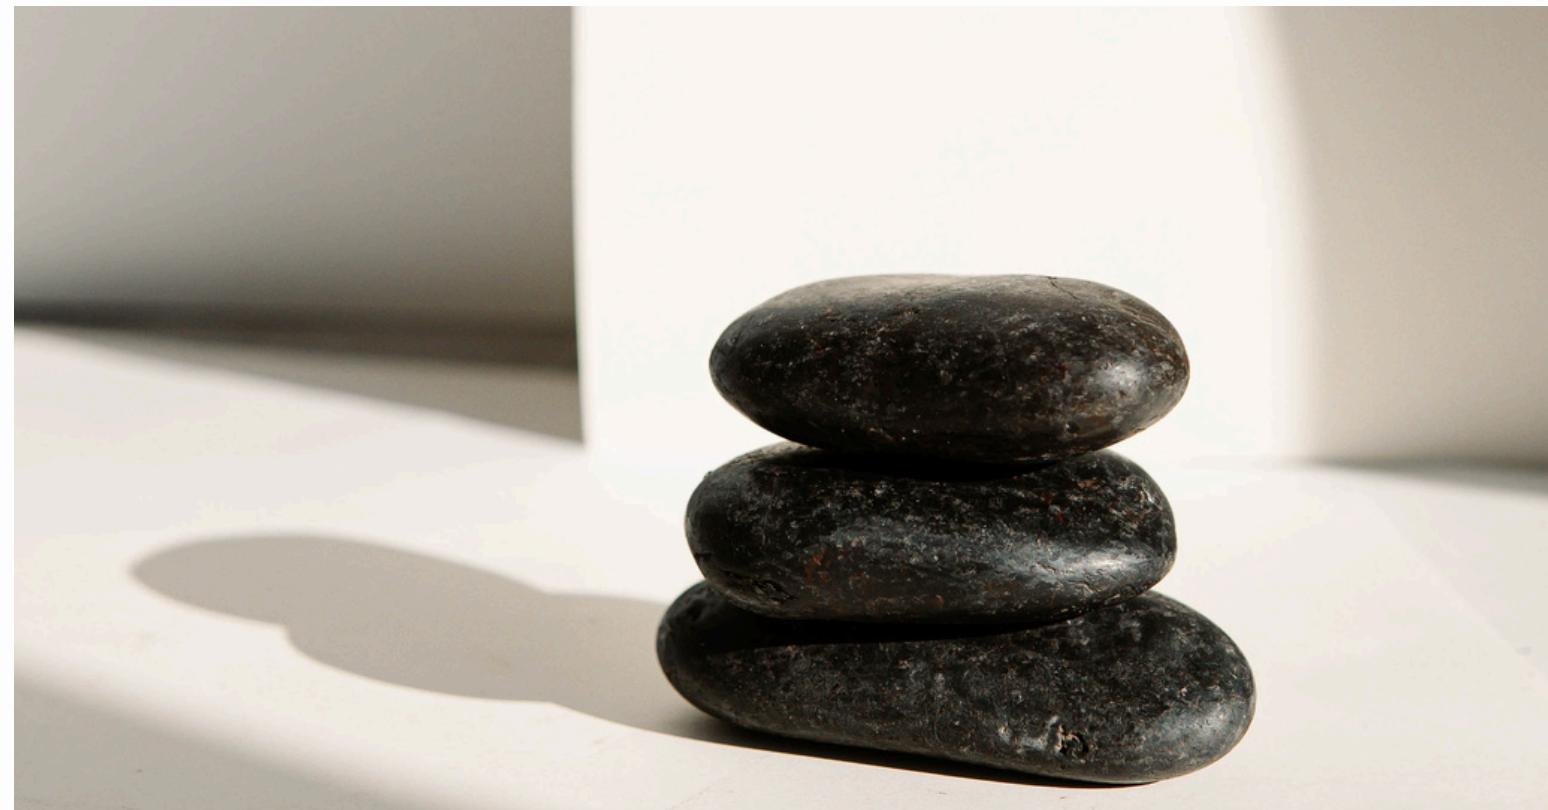

# ENGINEERING & DESIGN PROJECTS

Lorem ipsum dolor sit amet, consectetur adipiscing elit. Cras erat nibh, sollicitudin vitae mattis quis, interdum sit amet lorem. Vestibulum ac est gravida, suscipit lacus ac, aliquam neque. Aliquam in lorem et dui tristique semper id in enim.

Ut quis faucibus lorem. Nam faucibus egestas magna ut feugiat. Proin porttitor, est sit amet volutpat commodo, purus velit consectetur est, vel efficitur eros orci porta eros.

# MISSION
